2018-19 MINGEI INTERNATIONAL MUSEUM EDUCATION OFFERINGS

For the 2018-19 school year, the Museum's Education Team will be in the field visiting schools, libraries and other offsite locations all around San Diego.

Mingei Away: K-12 Classroom Visits

While the Museum's Balboa Park location is temporarily closed for renovation, Mingei's Education Team will offer free interactive and engaging K-12 classroom visits. Students can explore the Museum's diverse collection through images and real objects that they can touch.

Mingei Away: Museum Career Day

Take a behind-the-scenes look at the jobs at Mingei International Museum. Designed for high school and college classes, students will have the opportunity to freely discuss careers in museums with a staff member.

Access Mingei's vast collection of textiles, jewelry, toys, sculpture and other craft forms online. Over 26,000 objects from more than 141 countries are now browsable from your home or classroom.

Curriculum Resources

Exhibition guides, lesson plans, project ideas and images are available on the Museum's website and are connected to classroom learning objectives.

Educator Events

Special events will be planned just for educators, including workshops and professional development opportunities.
